工作表1

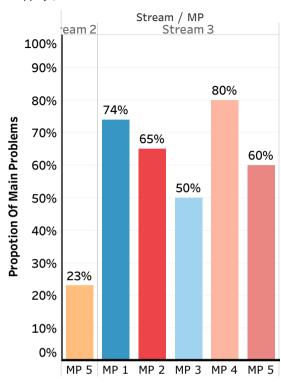

每个 MP 的按 Stream 细分的 Propotion Of Main Problems 总和。 颜色显示有关 Main Problems 的详细信息。 标记按 Propotion Of Main Problems 总和 进行标记。

Main Problems

- MP1 Low attendance
- MP2 Lack of students' feedbacks
- MP3 Students use translation machines or applications
- MP4 Supervisor-student relationships needed to be enhanced
- MP5 Students have difficulties in coherence, grammar vocabulary or language error
- MP1 The big problem for Chinese PhD students is translation, they formally do the sentences in Chinese and then translate them into English
- MP2 It's hard to publish but students are encouraged to publish to have a better career life
- MP3 Lack of practice
- MP4 The tutors of CELE have less research experience and cannot give professional advice on PhD students' academic writing
- MP5 It takes a long term and is hard for students to publish
- MP1 Lack of time to enhance academic writing ability
- MP2 Lack of logic during the writing process (including sequence of the articles, shape of the general articles)
- MP3 CELE's training is too simple for PhD students
- MP4 Hope CELE will provide more academic writing seminars and one-to-one workshops especially for PhD students
- MP5 The courses offered by the graduate school are useful
